THE FAST 800
Michael Mosley
PB \$29.99

Six years ago, Dr Michael Mosley started a health revolution with The 5.2 Fast Diet, telling the world about the incredible power of intermittent fasting. In this book Michael brings together all the latest science (including a new approach: Time Restricted Eating) to create an easy-to-follow programme. Recent studies have shown that 800 calories is the magic number when it comes to successful dieting – it's an amount high enough to be manageable but low enough to speed weight loss and trigger a range of desirable metabolic changes.

CALM THE FK DOWN**
Sarah Knight
PB \$29.99

Do you waste time overthinking things you can't do anything about? When life hands you a big fat lemon, this book gives you practical ways to manage the situation, not to mention your anxiety about the situation. This is a book that acknowledges all the bad things that can and probably will happen to you - from break ups and breakdowns to floods, family feuds and France running out of butter - and shows you what you can realistically do about it so you can get on with your life, stop worrying and wallowing, and start bouncing back.

BOOK OF THE MONTH

THE BINDING
Bridget Collins
PB \$32.99

Emmett Farmer is working in the fields when a letter arrives summoning him to begin an apprenticeship. He will work for a Bookbinder, a vocation that arouses fear, superstition and prejudice - but one neither he nor his parents can afford to refuse. As a Bookbinder if there's something you want to forget, he can help. If there's something you need to erase, he can assist. Your past will be stored safely in a book and you will never remember your secret, however terrible. One day he discovers a book with his name on it...

THE TRUTHS AND TRIUMPHS OF GRACE ATHERTON
Anstey Harris
PB \$29.99

Between the simple melody of running her violin shop and the full-blown orchestra of her romantic interludes in Paris with David, her devoted partner of eight years, Grace Atherton has always set her life to music. Suddenly and shockingly, one act tips Grace's life upside down, and the music seems to stop.
