As a young man, sarcastic, violent Tallis Pendray believed the Dragon Kings' survival depended on a prophecy delivered in

dreams by a woman named 'the Sun.' Now disillusioned, he seeks revenge on the woman he holds responsible for 2 decades of exile. Telepath Kavya Indranan grew up terrorized by the ominous threat of her powerful, insane twin brother. Those who follow her call for peace have nicknamed her 'the Sun.'

## HOTSHOT

Julie Garwood  
PB \$29.99

Peyton and her sisters have inherited Bishop's Cove, a small, luxurious oceanfront resort, but it comes with a condi-

tion: they must run the resort for one year and show a profit, only then will they own it. Peyton thinks a year doing something completely different sounds wonderful. She dives into the resort business, but a series of dangerous mishaps keeps progress slow. So she calls on her childhood friend, FBI agent Finn MacBain.
